### PRE-START PROCEDURE (before each start according to schedule):

**10 min before:** bikes to prestart area (end of pit lane)

**6 min before:** track gate open.

**5 min before:** track gate closed.

**3 min before:** The mechanics can, as quickly as possible, assist the rider to start the machine and then vacate the grid. At this point all assisting persons must leave the grid.

**2 min before:** warm up lap (waved green flag). As soon as the riders have passed the pit lane exit, the pit lane exit light will be turned green, and any rider waiting in the pit lane will be permitted to join the warm up lap. Thirty seconds later, the light will turn red closing the pit lane exit. This (these) driver(s) will start at own positions on grid.
